

Accommodation

We have reserved rooms for the participants of DEAM2 in the *Sommerhaus Hotel* in Linz which is located in the same building as the student dormitory *Julius Raab Heim*. The address is

Hotel Sommerhaus
Julius-Raab-Straße 10
A-4040 Linz

☎ +43 (0732) 2457-0

Its web page can be found under <http://www.sommerhaus-hotel.at/>.

To reach the hotel from the train station we recommend taking the tram. You have to use either *line 1* or *line 2*, both in the direction *Universität*. During daytime the tram goes almost every five minutes. With *line 1* or *line 2* you go to the final stop, also called *Universität*. A *MIDI* ticket is needed for this distance, which can be obtained from automata at the tram stops. (If you plan to go to the city centre in the evening, then a *MAXI* (daily) ticket is advisable.)

From the tram stop *Universität* you have to walk east along the *Aubrunner Weg*. The big building towards which you walk right after the turn is the *Sommerhaus Hotel*. You can reach it from the *Aubrunner Weg* via a small path. See also the map on page 2.

To reach the hotel from the Blue Danube Airport we recommend taking a bus to the train station. A bus schedule is available on the [airport web site](#). At the train station proceed as above.

Conference site

The workshop takes place on the *JKU* campus. To reach it from the *Sommerhaus Hotel* you have to go back the way to the tram station "*Universität*". From there, you walk north along *Altenberger Straße*. The university campus is just to the left after approx. 50m.

The talks will take place in the *Uni-Center* in the lecture room *UC 6* on the second floor. We have also reserved the seminar room *UC 5* which may be used for private discussions. The lecture room is equipped with a beamer and an overhead projector. There is also a blackboard available.
